GLOBEECOM SIGNS AN AGREEMENT IN PRINCIPLE REGARDING A REVERSE TAKE-OVER BY NETMARKETINGSOLUTION.COM INC.

Trois-Rivières, May 1, 2006 – GlobeCom International Inc. (« GBC ») (TSX Venture: GBC) announces that it signed an agreement in principle with NetMarketingSolution.com Inc. (“NetMarketing”) providing for the acquisition by GBC of all the shares of NetMarketing by way of a reverse take-over, in consideration of the issuance of shares of GBC to the shareholders of NetMarketing.

NetMarketing is a privately held company located in Montreal which offers marketing services integrating the use of technology.

The proposed transaction is subject to the satisfaction of several conditions, including notably the filing of a proposal by GBC at the latest on May 1, 2006 with a creditors meeting to be held at the latest on May 17, 2006, the conclusion of a formal agreement legally binding the parties, the completion of a due diligence review by GBC and NetMarketing, receipt of the required approvals from the shareholders of GBC and receipt of all required regulatory approvals, including from the TSX Venture Exchange.

As soon as the due diligence process has been commenced by NetMarketing and the negotiations regarding the conclusion of the formal agreement have reached a more advanced stage, a more detailed press release will be issued describing the terms of the proposed transaction and its related conditions.

GBC considers that, if all these conditions are met, the transaction could be closed during the month of July 2006.

GBC has made a request to the Exchange in order that the trading of its shares on the Exchange be halted until the closing of the proposed transaction, in order to facilitate its completion.

GBC also announces that Ms. Jocelyne Pelchat has resigned from the Board of Directors for personal and professional reasons. GBC thanks Ms. Jocelyne Pelchat for her contribution.
